

## **AARP's Tax Aide Service Will Not Take Place at the Greece Public Library in 2018**

The library, and the Town of Greece, have no additional information about where the service will be located in 2018. **Please contact AARP directly at 1-888-687-2277.**

2017 was the first year of a new strategic plan for the library. This plan, which is available at <http://www.greecepubliclibrary.org/images/PDFs/strPln2017.pdf>, outlines 4 service priorities which are very program dependent. In mid-November 2017 the library conducted an in-depth review of increasing attendance numbers for library programs and made the determination that we no longer have the ability to tie up the library's only program space for such a large chunk of time. While AARP has other options for space in Greece, the programs we offer are designed to be used alongside the library materials we have in this building.

On November 15 we communicated this to AARP, and offered some alternative locations for them to consider. As of this writing, we have not been able to confirm whether they have secured an alternate location. **Please contact AARP directly at 1-888-687-2277.**
