#1 Potty Seat Song (tune: Mary Had a Little Lamb)

I have a potty seat, potty seat, potty seat
I have a potty seat where I can poop and pee.
Every time that I go, that I go, that I go,
Every time that I go, my mom is proud of me.
Always use the potty seat, potty seat, potty seat,
Always use the potty seat, cause it will keep you dry.
Mom and Dad are proud of me, proud of me, proud of me.
Mom and Dad are proud of me, and I should be proud too!

#2 Potty Training Song (tune: On Top of Old Smokey)

It's time to go potty
It's time to go pee
Or you can go poo-poo
Let's sit down and see.
Let's give a holler
Let's give a shout
Let's sit on the potty
And see what comes out!

#3 Potty Song (tune- Twinkle Twinkle)

Tinkle, tinkle, little pee, in the potty you will be.
Poopy, poopy stinky-O, in the potty you will go.
Wipe myself and wash my hands,
Aren't you proud of me?
I AM!

#4 I Can (tune- This Old Man)

I can poop,
I can pee,
In the toilet
Yes, siree!
I can flush the potty and
Wash up when I'm done
Going potty sure is fun!

#5 When Your're Peeing in Your Potty (tune- If You're Happy)

When you're peeing in your potty, clap your hands
When you're peeing in your potty, clap your hands
When you're peeing and you know it
Then your potty bowl will show it
When you're peeing in your potty clap your hands.

When you're pooping in your potty, shout "Hooray"
When you're pooping in your potty ,shout "Hooray"
When you're pooping and you know it
Then your potty bowl will show it
When you're pooping in your potty, shout "Hooray"

When you're washing and it's over, say "All done!" (good job)
When you're washing and it's over, say "All done!" (good job)
When you're washing and you know it,
Then your hands will surely show it.
When you're washing and it's over, say "All done!" (good job)
